What to Expect

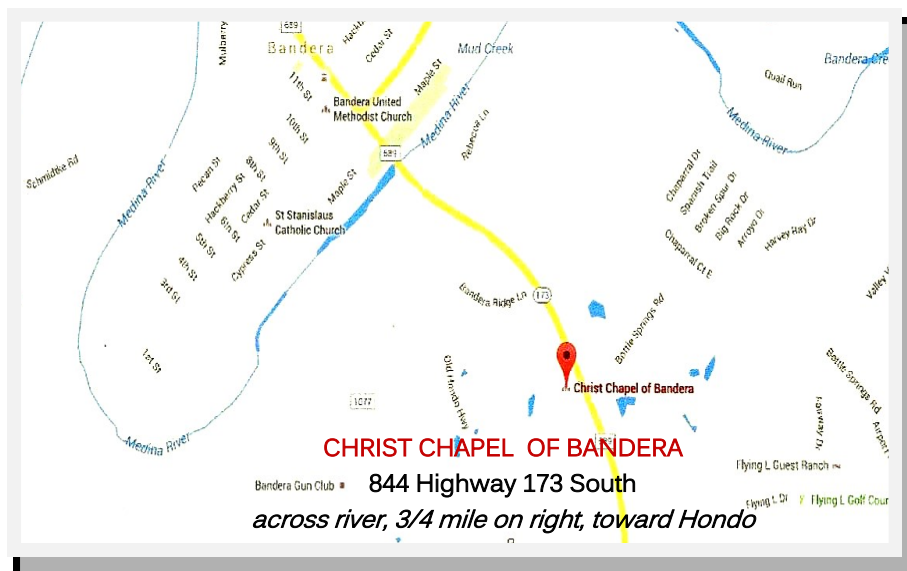

- We believe exercise can be fun and all shapes, sizes, ages, (*girls, middle-school-age and up*) and fitness levels are welcome at **Fit for GOD** and will be comfortable in all classes.
- If you have any injuries or limitations, please let your instructor know. All our instructors offer modifications, personalized adjustments, and encouragement so you can get a great workout, without discomfort.
- Sticky socks are required for barre classes in order to retain your body's heat, as well as to prevent your feet from sliding. (*You can bring your own or purchase on-site for \$3.*)
- All equipment and mats are provided. Water and snacks are also provided and available on-site, at no cost.
- You can **expect** to enter into a friendly, accepting, healthy, and empowering environment.
- You can **expect** to gain confidence and personal strength, while finding motivation and support. You might even make some new friends! We can't wait to meet you!

When to Arrive

- You do not need to call ahead or "book" your classes. Simply plan on arriving 5-10 minutes before class begins. This will allow time for your instructor to get you the right props and equipment and get your space set-up for class. First time attendees will also need to allow time to fill out a short waiver.
- If you are utilizing child care, please plan on arriving 10 minutes prior to class to allow ample time to drop off your child. Child care is located in the church sanctuary and you will need to enter through the front door only, for security reasons.

Where to Come

- All classes are held in **The Fellowship Center**. You will see the **Fit for GOD sign** in front.
- Once you enter, you will sign in at the table in the main hallway. The "Fit for GOD Room" is the second door on the left after you enter the building.
